

Wi-Fi Audio Monitor with Sound and Light Projector

Smart Nursery Dream Machine (MBP85SN)

Your nursery just got smarter

Help your little one sleep soundly with the Motorola Smart Nursery Dream Machine. This connected sound and light projector with audio monitoring is controlled with the Hubble application. The Dream Machine comes with a night light/mood light with different colors, three animated scenes, and downloadable lullabies to help calm your baby at night. The audio monitoring feature with two-way communication alerts you when your child is upset and allows you to speak to them and sooth them back to sleep. With Motorola's Smart Nursery Dream Machine, your nursery just got smarter.
